II.1.4) Short description

The University of Greenwich has an admissions platform which connects to our student records system. The University is planning to expand the platform to enhance workflow, improve the student experience and make it simpler for our agents to support us. It will be a end to end journey from the start to end of the student courses and will include additional support for applicants. It is envisaged that the contract will be for 5 years with options to extend for periods up to a further 3 years. The package includes 1. VISA support service and 2 Automated video assessment service. The University does not believe that any other company is able to provide this enhancement to our existing systems, so we plan to award to Enrolly Limited after 30 days of this notice. If, however, you are able to provide evidence that you can meet our requirements and timescales for delivery please contact the Procurement Team at tenders@gre.ac.uk and quote the notice reference.

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated without a prior call for competition

- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

We believe the contract extension is appropriate. The university has utilized this admissions system for several years, seamlessly integrated with our Banner student records system and our existing admissions system. The supplier's solution will enhance workflow efficiency, elevate the student experience, and streamline support for our agents. Moreover, the data embedded in the current platform may not be easily transferable to another system, further supporting the need for continuity and statutory compliance with UK law.
