# VII.2) Information about modifications

#### VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

Following two previous modifications to extend Contract 70358 Paper Hygiene products in January 2021 and July 2021, the three suppliers listed in this modification notice have agreed a further modification of the existing contract to extend the contract for one month from 1 November 2021 until 30 November 2021. The new replacement framework has been award on 26 October 2021 and this extension is required to allow schools to continue to procure the required paper products for their existing dispensers whilst they make arrangements to install new dispensers in line with the new framework.

The extension value is up to a maximum of circa £450,000 ie 32% increase of the original contract. Although given this short extension aligns with the commencement of the new framework, it is anticipated that this full additional expenditure will not be utilized.

#### VII.2.2) Reasons for modification

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and

explanation of the unforeseen nature of these circumstances:

This one-month extension and additional expenditure (32% of the original contact value) will allow a short implementation to allow schools to transition to the new product ranges. This action is been taken due to delays in awarding the new framework, due to product verification stage being re-run as two products failed the verification stage. The Authority could not have reasonably foreseen tenderers failure to provide samples which fully met the technical specification. This extension is required to allow schools to continue to procure the required paper products for their existing dispensers whilst they make arrangements to install new dispensers in line with the new framework.

# VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptions and average inflation)

Value excluding VAT: £2,879,300

Total contract value after the modifications

Value excluding VAT: £3,329,200
