**II.1.4) Short description**

The Local Authorities in Northern Ireland have developed a new enterprise support service 'ESS' which aims to put in place a more ambitious approach to the delivery of start-up and growth support which seeks to revamp the current offer and increase the number, survival and growth rates of new businesses across the region. The service aims to provide a set of connected ESS where individuals, entrepreneurs or businesses can access a continuum of support to meet their needs, aligned with the relevant stage of their business.

Given the varying needs of the individuals, entrepreneurs and businesses that will likely engage with this service across the business lifecycle, the Local Authorities have identified a need to put in place a framework which will:

- Be proactive and flexible to address market needs.
- Incentivise market development activity.
- Provide a core programme of service delivery across the region.
- Provide access to specialists in certain sectors / target groups.
- Be flexible in responding to future variability in demand and funding.
- Provide quality services that meet user needs; and
- Support the Local Authorities strategic ambitions aligned with The Northern Ireland Draft Programme for Government, 10x Economy – Northern Ireland’s Decade of Innovation, Economy 2030, draft Green Growth Strategy for Northern Ireland, Invest NI’s forward business plans, the City/Growth deals, and inclusive growth focus of the individual Council community plans.

The NIESS is comprised of the following three frameworks/ contracts which have been procured separately:

- i. NIESS Framework A (preferred Contractors) – Growth and Scaling;
- ii. NIESS Framework A (preferred Contractors) – Engage and Foundation; and
- iii. NIESS Framework B (Subject Matter Experts and Sector Experts);

This procurement relates to the award of a contract to a Contractor for the regional delivery of the NIESS Framework A (preferred Contractors) covering the Engage and Foundation requirement.
