Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Re-active and emergency removal of asbestos

Reference number

ABU-OJEU-48739 (itt_91346 in e-tenderwales)

II.1.2) Main CPV code

- 90650000 - Asbestos removal services

II.1.3) Type of contract

Services

II.1.4) Short description

ABUHB wishes to appoint an HSE Licensed contractor to provide the removal and remediation of asbestos services at key sites across the ABUHB Estate.

This work is in response to an emergency situation with a requirement for the contractor to provide emergency cover to undertake essential maintenance work in a variety of locations which could include controlled access areas.

All asbestos-related work will be in full compliance with current UK legislative requirements and HSE guidance.

The specification applies to the provision of services for:

Emergency licensed asbestos removal and/or encapsulation in accordance with the Health Boards asbestos management plan

Emergency attendance to deal with accidental asbestos disturbance

Emergency attendance to investigate and repair leaks to services within controlled asbestos areas; this will include rainwater services, foul waste, heating pipe work, hot and cold water supplies

Emergency attendance to 'fault find' and repair electrical systems within controlled asbestos areas

All removal of waste to be included and must include copy of waste consignment notes provided by final waste carrier

II.1.5) Estimated total value

Value excluding VAT: £200,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 45262660 - Asbestos-removal work

II.2.3) Place of performance

NUTS codes

- UKL21 - Monmouthshire and Newport

Main site or place of performance

The Aneurin Bevan University Health Board - Health Board wide.

The Health Board covers the local authority areas of Newport, Monmouthshire, Blaenau Gwent, Torfaen and Caerphilly.

II.2.4) Description of the procurement

ABUHB wishes to appoint an HSE Licensed contractor to provide the removal and remediation of asbestos services at key sites across the ABUHB Estate.

This work is in response to an emergency situation with a requirement for the contractor to provide emergency cover to undertake essential maintenance work in a variety of locations which could include controlled access areas.

All asbestos-related work will be in full compliance with current UK legislative requirements and HSE guidance.

Services required include:

Emergency licensed asbestos removal and/or encapsulation in accordance with the Heath Boards asbestos management plan

Emergency attendance to deal with accidental asbestos disturbance

Emergency attendance to investigate and repair leaks to services within controlled asbestos areas; this will include rainwater services, foul waste, heating pipe work, hot and cold water supplies

Emergency attendance to 'fault find' and repair electrical systems within controlled asbestos areas

All removal of waste to be included and must include copy of waste consignment notes provided by final waste carrier

The awarded contractor must hold an Asbestos removal licence for a period of 3 years, valid from the date of issue.

All works undertaken as part of this contract must be completed in accordance with current HSE guidance and any applicable asbestos essentials task sheets

All Asbestos remediation work is scheduled as a result of one of or a combination of the following;

ACMs requiring remediation identified during ongoing Asbestos Management Survey Programme;

Reactive requirement due to accidental damage or disturbance

Reactive requirement due to site query or investigation

Remediation required as a result of project refurbishment plans
