Cyber Essentials is a mandatory requirement for Central Government contracts which involve handling personal information or provide certain ICT products/services. Government is taking steps to reduce the levels of cyber security risk in its supply chain through the Cyber Essentials scheme. The scheme defines a set of controls which, when implemented, will provide organisations with basic protection from the most prevalent forms of threat coming from the internet. To participate in this procurement, bidders must be able to demonstrate they comply with the technical requirements prescribed by Cyber Essentials, for services under and in connection with this procurement.

Refer to <https://www.ncsc.gov.uk/information/cyber-essentials-faqs> for more information.

CCS reserve the right to award a framework to any bidder whose final score is within 1% of the last awarded position (10th position).

The value at II.1.5 is an estimate. We cannot guarantee suppliers any business under the framework.

Minimum standards of reliability:

CCS may also assess whether the selection criteria (in respect of III.1.3 Technical and professional ability), as set out in the ITT documents, is met on request from a buyer prior to the proposed conclusion of a call-off contract with a value in excess of 20 000 000 GBP.
