Engagement process description

Please register via the Council's e-procurement system - CSW-JETS <https://in-tendhost.co.uk/csw-jets>

CSW-JETS is a sub-regional e-tendering portal run by In-tend. Since February 2010, Coventry; Solihull; Warwickshire; Nuneaton and Bedworth; Rugby alongside other local district Councils have been working together as a shared procurement service. In conjunction with Solihull Community Housing, we have joined together to bring you a collaborative E-Tendering portal. CSW-JETS enables us to advertise our opportunities across all authorities through the same system. This means that there is a single point of contact for procurement in the sub-region so you only have to register once to receive notifications for all authorities. Registering on the portal will make it easier for local suppliers to find, respond to and be alerted to tender opportunities.

Registration is free, and takes just a few minutes. When complete, you will be able to express interest in any of the Councils'/Authorities' opportunities when they are made available including this tender. In addition, we will be able to access your details whenever

we have a requirement, and you may then be invited to tender or quote for work. Once you are registered and log in to the system you will be able to locate the tender opportunity, express interest and access the documentation.

Please note - this exercise is not part of any pre-qualification or selection process. It is intended as an awareness, communication and information-gathering exercise, offering an opportunity for potential providers to understand the intention, likely requirements and provide feedback to the Council. Information gathered from the soft market test will enable the Council to understand the markets capacity and capability in meeting the Council's requirements and meeting its strategic objectives, being mindful of the current budgetary pressures.
