As set out above, the purpose of this Prior Information Notice (PIN) is to seek feedback and interest from suppliers across a range of aspects relating to the current and future service.

Supplier Engagement will be managed by the Authority utilising the MOJ e-sourcing portal (also known as Jaggaer); Ministry of Justice Sourcing Portal:

<https://ministryofjusticecommercial.bravosolution.co.uk/web/login.html>. Suppliers that are not already registered will need to register.

Interested suppliers can register their interest in the PIN, view the associated EM Supplier Briefing pack and are invited to complete a short questionnaire all via the MOJ e-sourcing suite- PQQs Open to all Suppliers -PQQ\_268.

Please complete the questionnaire promptly as the next stage of the process is to seek further input from potential providers through market engagement events intended to commence in late November 2021.

Questionnaires are for Market Engagement only, responses to the questionnaire will not be evaluated against and is solely for the purpose of data capture.

Once the MoJ have gauged market interest, we will issue an invite to all interested parties, confirming the dates, timings and location of supplier forum(s)/event(s). Due to COVID these events are likely to be

conducted on Microsoft Teams.

Potential providers will not be prejudiced by any response to this PIN, or failure to respond. This PIN does not formally signify the beginning of a procurement and does not constitute a commitment by the MoJ to undertake any procurement exercise. The MoJ will reserve its rights as to the procurement route used. In the event that a suitable pre-existing framework is identified during market engagement the MoJ may decide not to issue a contract notice. Should a suitable framework not be identified and the MoJ decides to formally

commence the procurement for the EM Future Services in England and Wales, a separate notice will be issued through the Find a Tender service.

Any resulting procurement will be managed electronically via the MoJ e-sourcing suite.
