Precise information on deadline(s) for review procedures

Procurement procedures include a minimum 10 calendar day standstill period at the point information on the award of the contract is communicated to bidders. This period allows unsuccessful bidders to seek further debriefing from the contracting authority before the contract is entered into. Such information should be requested from East Riding of Yorkshire Council. If an appeal regarding the award of a contract has not been successfully resolved, the Public Contract Regulations 2015 provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland). Any such action must be brought promptly.
