II.1.4) Short description

Stockport Council wishes to establish a Flexible Purchasing System (FPS) in order to provide a broad range of Day Services to people with varying support needs within the borough of Stockport. Service users who request support to arrange their care and support package will be guided towards the FPS agreement when considering their options in relation to Day Service provision.

The authority wishes to procure a Flexible Purchasing System with the following objectives:

1. Ensuring that the Council are legally compliant and fulfilling their Care Act requirements.
2. Improve the process for communication with providers and improve the quality of care clients are receiving.
3. Develop a diverse provider market, which promotes a culture of greater independence for clients rather than dependence.
4. Have clear infrastructure in place where the recording of client support can be

monitored and analysed.

5. Clear consistency of approach of hourly rates for providers which will be set out via the specification of the FPS.

6. Ensuring front line workers are only using providers who are active on the framework and are fully contract compliant.

7. Ensure that service users and carers have a suitable menu of providers who can carry out bespoke person centred support
