II.2.4) Description of the procurement

Dundee City Council are progressing a procurement exercise to provide increased Fire Alarm Coverage, new emergency lighting to meet current standards and upgrading the current PA system to a PAVA system at the Caird Hall Building, City square, Dundee

The requirement is for:

The supply & installation of new wired and wireless fire alarm devices and associated equipment linked to existing addressable fire alarm system to extend coverage to meet Category L1/P1/M. Associated electrical installation to meet BS 7671 IET Requirements for Electrical Installations 2018, including all current amendments.

New Voice Evacuation system to be designed/installed to encompass designated areas.

New Emergency Lighting to meet current standards and be supplied from existing Central Battery system via existing Emergency Lighting

DBs.

The complete fire alarm and voice evacuation proposals and Contract Works are to be in the form of Contractor Design Portions (CDP)

The Emergency Lighting design will remain the responsibility of Dundee City Council, however the Contractor shall work with the

Council to ensure a compliant installation.

DCC will provide specific and performance requirements that the Contractor shall include within his Design Proposals. These requirements

shall be highlighted on and within the Contract Drawings and Specification.

The Main Contractor shall be responsible for co-ordinating their design information with their subcontractor design information and for

co-ordination of the various sub-contractor design info. The Main Contractor is also responsible managing the procurement of all proposed

materials/equipment and for its installation in line with their programme.

The Contractor carrying out electrical alterations to suit new proposals shall be designated "APPROVED" by the National Inspection

Council for Electrical Installation Contracting, SELECT or equal and approved and proof of designation shall be submitted to the CA if requested. (a draft Specification of Requirements is enclosed FYI)

II.3) Estimated date of publication of contract notice

23 November 2023

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section VI. Complementary information

VI.3) Additional information

Dundee City Council (DCC) would like to ensure that the setting of requirements (including Bidder selection and tender award requirements) is proportionate, and can be achieved by Bidding Organisations.

From the questionnaire, we seek to understand the implications of setting particular requirements (including Bidder selection and tender award requirements). Also, we are keen to know if there is anything else that we need to consider.

We would be grateful if you could please complete a short questionnaire, which can be found in the Additional Documents Section of this Notice. Please note that your responses are for information only and will not be used for evaluation purposes.

Please do not state your name or company details on the questionnaire (in order that we may share the findings with key stakeholders within our immediate organisation(s) and keep your response anonymous). A Draft copy of the Specification can also be found in the Additional Documents Section for information only

NOTE: To register your interest in this notice and obtain any additional information please visit the Public Contracts Scotland Web Site at https://www.publiccontractsscotland.gov.uk/Search/Search_Switch.aspx?ID=746797.
