VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

The contract was advertised and awarded for a period of 5 years with 2 x 12 months extension options. The extension period had not been factored into the total contract value which was published in the award notice. This is a modification to the contract value, the modified value now includes the additional two years extension.

VII.2.2) Reasons for modification

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

An error was made on the initial contract award notice. The contract was awarded for 5 years with 2 x 12 months extension options, the additional cost of the extension had not been included in the total value of the contract.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £424,950

Total contract value after the modifications

Value excluding VAT: £594,930
