I.4) Type of the contracting authority

Body governed by public law

I.5) Main activity

General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Copeland 3D Seismic Data Reprocessing

Reference number

C21918

II.1.2) Main CPV code

- 71352140 - Seismic processing services

II.1.3) Type of contract

Services

II.1.4) Short description

NWS are seeking to reprocess the Copeland 3D Seismic Survey in depth, and will utilise advanced velocity model building methodologies in conjunction with the appropriate imaging and inversion algorithms. Additionally NWS will use 3D De-ghosting and demultiple techniques to address residual noise within the seismic data.

II.1.5) Estimated total value

Value excluding VAT: £650,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

NWS are seeking to reprocess the Copeland 3D Seismic Survey in depth, and will utilise advanced velocity model building methodologies in conjunction with the appropriate imaging and inversion algorithms. Additionally NWS will use 3D De-ghosting and demultiple techniques to address residual noise within the seismic data.

II.3) Estimated date of publication of contract notice

18 November 2024
