### **Scope**

### **Description**

CONTRACT FOR THE PROVISION OF A NEUROPHYSIOLOGY SERVICE TO DEFENCE MEDICAL REHABILITATION CENTRE (DMRC)

The Authority has a requirement for the provision of a neurophysiology service across Defence rehabilitation.

The requirement is for up to 30 tests per annum but must be able to surge to 50 if required.

This will be performed using an agreed referral proforma via an online electronic health record (EHR) web portal (e.g. Cerner, EPIC), email or paper based.

The Supplier shall provide:

- a. An appointment within 5 working days of the request being received from the Authority.
- b. The appointments within 20 working days of the referral being received.

c. Test and interpret the results within 1 working day of the test results (findings) being made available.

d. Provide the findings back within 5 working days of the investigation.

The range of neurophysiology investigations include:

a. EEG

b. EMG

c. NCS

d. Visual evoked potentials (VEPs)

e. Auditory evoked potentials (AEPs)

This is a framework agreement and therefore no business is guaranteed from the Authority.

Cyber Security: The MoD has a duty to protect itself from Cyber threats and now we extend this to Suppliers we engage with. As an extension of the Government's Cyber Essentials Scheme the MoD, working together with Industry and other Government Departments, have developed a more robust Cyber Security Model, under the umbrella of the Defence Cyber Protection Partnership (DCPP). All prime contractors must have the cyber security controls specified in DEF Stan 05-138 (Cyber Security for Defence Suppliers), as appropriate to the cyber risk level specified in the contract.

The Authority has determined the level of risk at High (Reference: RAR-190079089) as defined in DEF Stan 05-138. In order to do business with the MOD you must have the cyber security controls required as shown above.

### **Total value (estimated)**

- £75,000 excluding VAT
- £75,000 including VAT

Below the relevant threshold

### **Contract dates (estimated)**

- 1 October 2025 to 30 September 2030
- Possible extension to 30 September 2032
- 7 years

Description of possible extension:

with to 24 months
