## **Section II: Object**

### **II.1) Scope of the procurement**

#### **II.1.1) Title**

High-dimensional (HD) single cell analysis platform

Reference number

2022/1970/HDSC/GH/MW

#### **II.1.2) Main CPV code**

- 38434510 - Cytometers

#### **II.1.3) Type of contract**

Supplies

#### **II.1.4) Short description**

The University would like to enhance its mass cytometry facility with the procurement of a high dimensional single cell analysis platform in order to conduct research in key areas of infection and immunity, cancer and development. The ability to detect in excess of 40 biomarkers in a single cell suspension is a key requirement. Specification submitted to the tendering process will consist of instrument configurations that could support the anticipated applications. We will review submissions from all applicants whether they provide a solution to all of the specifications set out here.

#### **II.1.5) Estimated total value**

Value excluding VAT: £430,000

#### **II.1.6) Information about lots**

This contract is divided into lots: No

### **II.2) Description**

#### **II.2.3) Place of performance**

NUTS codes

- UKD3 - Greater Manchester

Main site or place of performance

The University of Manchester

#### **II.2.4) Description of the procurement**

The University would like to enhance its mass cytometry facility with the procurement of a high dimensional single cell analysis platform in order to conduct research in key areas of infection and immunity, cancer and development. The ability to detect in excess of 40 biomarkers in a single cell suspension is a key requirement. Specification submitted to the tendering process will consist of instrument configurations that could support the anticipated applications. We will review submissions from all applicants whether they provide a solution to all of the specifications set out here.

#### **II.2.5) Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

#### **II.2.7) Duration of the contract, framework agreement or dynamic purchasing system**

Start date

1 January 2023

End date

31 December 2028

This contract is subject to renewal

No

#### **II.2.10) Information about variants**

Variants will be accepted: No

#### **II.2.11) Information about options**

Options: No

---

## **Section III. Legal, economic, financial and technical information**

### **III.1) Conditions for participation**

#### **III.1.2) Economic and financial standing**

Selection criteria as stated in the procurement documents

#### **III.1.3) Technical and professional ability**

Selection criteria as stated in the procurement documents

---

## **Section IV. Procedure**

### **IV.1) Description**

#### **IV.1.1) Type of procedure**

Open procedure

#### **IV.1.8) Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: Yes

### **IV.2) Administrative information**

#### **IV.2.2) Time limit for receipt of tenders or requests to participate**

Date

22 November 2022

Local time

12:00pm

#### **IV.2.4) Languages in which tenders or requests to participate may be submitted**

English

#### **IV.2.6) Minimum time frame during which the tenderer must maintain the tender**

Duration in months: 3 (from the date stated for receipt of tender)

#### **IV.2.7) Conditions for opening of tenders**

Date

22 November 2022

Local time

12:30pm

Place

The University of Manchester

Electronic invoicing will be accepted

Electronic payment will be used

#### **VI.4) Procedures for review**

##### **VI.4.1) Review body**

The High Court of Justice of England

London

WC2A 2LL

Country

United Kingdom

Internet address

<http://www.procurement.manchester.ac.uk/>

#### **VI.4.3) Review procedure**

Precise information on deadline(s) for review procedures

The authority will incorporate a minimum 10 calendar days standstill period at the point information on the award of the contract is communicated to tenderers. Applicants who are unsuccessful shall be informed by the authority as soon as possible after the decision has been made as to the reasons why the applicant was unsuccessful. If an appeal regarding the award of the contract has not been successfully resolved, the Public Contracts Regulations 2015 (SI 2015 No 102) provide for aggrieved parties who have been harmed or are at risk of harm by breach of the rules to take action in the High Court (England, Wales and Northern Ireland). Any such action must generally be brought within 3 months. If a declaration of ineffectiveness is sought, any such action must be brought within 30 days where the authority has communicated the award of the contract and summary of reasons to tenderers or otherwise within 6 months of the contract being entered into. Where a contract has not been entered into, the Court may order the setting aside of the award decision or order the authority to amend any document and may award damages. If the contract has been entered into the Court may, depending on the circumstances, award damages, make a declaration of ineffectiveness, order the authority to pay a fine and/or order the duration of the contract to be shortened. The purpose of the standstill period referred to is to allow the parties to apply to the Courts to set aside the award decision before the contract is entered into.
