Regional or local authority

I.5) Main activity

General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Weighbridge Management Solution at Waste Transfer Stations in Leicestershire

Reference number

DN693608

II.1.2) Main CPV code

- 48217000 - Transaction-processing software package

II.1.3) Type of contract

Supplies

II.1.4) Short description

Leicestershire County Council (“the Council”) operates four Waste Transfer Stations (WTS) with a total of six weighbridge platforms and a variety of associated equipment such as intercoms, DOCs, ANPRs, CCTV cameras, and entry and exit barriers etc. Although each site has different levels and ages of associated equipment, the majority at each Site (except Kibworth) is currently integrated into the existing weighbridge management system which is networked server based and uses the Council’s IT WAN infrastructure.

The Council is seeking to replace the current weighbridge management system with a similar but Web-Based/Cloud-Based system.

II.1.5) Estimated total value

Value excluding VAT: £2,000,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 45221117 - Weighbridge construction work
- 63712500 - Weighbridge services

II.2.3) Place of performance

NUTS codes

- UKF22 - Leicestershire CC and Rutland

II.2.4) Description of the procurement

Leicestershire County Council (“the Council”) operates four Waste Transfer Stations (WTS) with a total of six weighbridge platforms and a variety of associated equipment such as intercoms, DOCs, ANPRs, CCTV cameras, and entry and exit barriers etc. Although each site has different levels and ages of associated equipment, the majority at each Site (except Kibworth) is currently integrated into the existing weighbridge management system which is networked server based and uses the Council’s IT WAN infrastructure.

The Council is seeking to replace the current weighbridge management system with a similar but Web-Based/Cloud-Based system.

Summary of Solution Requirements;

- a) The Solution shall be Web-Based/Cloud-Based and include all on-Site IT hardware and software.
- b) The Solution shall not use any of the Council’s IT networks, IT hardware or IT infrastructure including internet connection i.e. the solution is independent of any LCC hardware or infrastructure including LCC’s internet connection.
- c) The Tenderer shall provide all necessary weighbridge hardware to deliver the Solution at each Site but all weighbridge hardware currently at a Site will be made available free of charge to be incorporated into the Solution, where it is technically viable to do so.

The estimated contract value is £300,000 - £500,000. This estimate is for all four Sites and includes: initial hardware and installation costs; all annual Site subscriptions; and repair and

maintenance agreement cost over the maximum 12 year potential contract duration. The maximum value of the contract spend however will be set at £2,000,000, to provide contingency for expenditure on chargeable repairs and replacements of hardware over the maximum period of the contract.

Details of current value or potential future uptake are given in good faith based on the current information available to the Council to assist you in submitting your Tender. They should not be interpreted as an undertaking to purchase any goods or services to any particular value.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £2,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

144

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Open procedure

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

IV.2) Administrative information

IV.2.2) Time limit for receipt of tenders or requests to participate

Originally published as:
