Error in section II.2.4 of the FTS notice

Dear Sir/Madam

Due to a cascade error in the FTS contract notice associated with this tender section II.2.4 (Description of the procurement) incorrectly states:

This lot seeks a cost effective, efficient and high-quality system for both HR and payroll for both our Academy customers (43 Academies distributed throughout England) and Head-Office function (based out of Birmingham).

The description in section II.1.4 (Short description) should have been cascaded to section II.2.4 , namely:

This procurement seeks Utility Management and Performance Services for both our Academy customers (43 Academies distributed throughout England) and Head-Office function (based out of Birmingham).

We apologise for any confusion caused and can reaffirm that the notice does indeed relate to a Utility Management and Performance Service, as per the title.
