Description

While the commissioning model is still being developed, it is anticipated that the future service will be awarded to one provider and will provide support for individuals aged 18 and over in Islington who have drug and alcohol support needs. The provider will deliver an integrated drug and alcohol service that is registered and inspected by the Care Quality Commission (CQC).

Key elements of the service include:

- Evidence-based interventions, in line with Drug misuse and dependence UK guidelines on clinical management (guidelines on how clinicians should treat people with drug misuse and drug dependence) and the National Institute for Health and Care Excellence (NICE) recommendations on what effective support should look like including

psychological support, harm reduction, opiate substitute prescribing, community-based detoxification, inpatient detoxification, and residential rehabilitation placements.

- Dedicated family service provision
- Care coordination involving a range of health, justice, social care, housing, and other support services.
- Social inclusion activities and interventions to support individuals in their recovery
- Training, support, and consultation for people working or volunteering in statutory and voluntary sector organisations to help them understand and safely respond to substance use.

Engagement

Engagement deadline

28 June 2025

Engagement process description

We are currently scoping our future contracting arrangements for the Adults Community Drug and Alcohol Service in Islington, with the current contract ending on 31 March 2027. We are interested in gauging market interest in any future opportunity to deliver the service, if and when this is advertised as a competitive procedure.

This is a market test. It is not a formal invitation to tender.

The market engagement exercise consists of a questionnaire, which is available free of charge via the London Tenders Portal:
