## **Procedure**

### **Procedure type**

Direct award

## Direct award justification

- Single supplier - technical reasons
- Additional or repeat goods, services or works - extension or partial replacement

This is the renewal for iTrent which is our existing HR & Payroll Software and currently caters to our requirements and integrates with existing software and potential suiters for our Finance System tender scheduled for 2026. Implementing new software at this stage would be costly for us and cause unnecessary disruption to our services.
