NHS England plans to expand access for people with severe and enduring mental illness to Individual Placement and Support (IPS) services to achieve over and above existing NHS Long Term Plan targets. This project presents the opportunity for a delivery partner to co-ordinate a response to the key implementation challenges and opportunities presented by the expansion. This project would run from 23/24 – 28/29 to support the expansion of the existing IPS programme and its adherence to the IPS Fidelity Model.
