Description

Support with running of our 2025 Colleague roadshows across the country including, production management, venue sourcing and logistics. This supplier has been engaged previously to deliver the organization's annual colleague roadshows and is already working on complementary film projects. Their continued involvement ensures consistency in creative direction, branding, and event delivery. Due to their existing knowledge of our organisation, internal stakeholders, and messaging priorities, it was more beneficial to award to supplier for the required services within the necessary timeframe and to the same standard.
