Defence

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Roadside Repair and Recovery

Reference number

709140450

II.1.2) Main CPV code

- 50110000 - Repair and maintenance services of motor vehicles and associated equipment

II.1.3) Type of contract

Services

II.1.4) Short description

This RFI seeks information relating to National Roadside Repair & Recovery, which ensures provision of a roadside repair and recovery service to MOD owned and registered vehicles. A full service must be available 24 hours a day, for 365 days of the year (366 in the event of a Leap Year). The service must be available in the United Kingdom (includes Scottish Islands, and Northern Ireland), Europe and extends to Morocco in North Africa.

The RFI also seeks to understand whether it would be feasible and attractive to industry to include the requirement for roadside repair and recovery for the MIV (Boxer), the TYRO Bridging Projects MAN 10x10 truck, and Archer as part of an overarching National Roadside Repair & Recovery contract.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 50111000 - Fleet management, repair and maintenance services

- 50118000 - Automobile emergency road services

II.2.3) Place of performance

NUTS codes

- UKJ37 - North Hampshire

Main site or place of performance

United Kingdom (includes Scottish Islands, and Northern Ireland), Europe and extends to Morocco in North Africa.

II.2.4) Description of the procurement

The Authority would like to request information from suppliers to understand more about how industry could contribute or innovate to support the MOD with general engineering tasks.

The services that are likely to be required at the outset of any potential contract are, but not limited to:

II.3) Estimated date of publication of contract notice

9 October 2023

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

Section VI. Complementary information

VI.3) Additional information

A Request for Information (RFI) has been issued on the 11/10/2023 to assist the MOD with developing the requirement and procurement strategy for the above project.

All documents relating to this RFI can be found via the Defence Sourcing Portal.
