II.2.4) Description of the procurement

The proposed works covered under the Highways Capital Improvement Projects Term Contract typically but not exhaustively include:

- New kerbing and footway works.
- Carriageway realignment, reconstruction, planing and surfacing works.
- Junction improvement works.
- Traffic Signal Junctions and Controlled Crossings (Puffin, Toucan and Pegasus)
- Installation of Bus Stops and pedestrian crossing point to DDA standards.
- Provisions for cycling.
- Installation of street furniture
- Traffic calming features.

Site-specific details will be issued with the individual works packages.

The contract has no guaranteed quantities, works orders will fluctuate according to demand and available budget.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £8,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

36

This contract is subject to renewal

Yes

Description of renewals

12 month extension option to be offered at the discretion of the Council

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: Yes

Identification of the project

Please see additional information for further details.

II.2.14) Additional information

The estimated contract value is based on the 12-month extension option being given. If the extension is not offered then the estimated contract value could reduce to approx. GBP 6000000.00. There is no guaranteed work under this contract and not all projects are known at this time so the figures in this notice are purely estimates.

EU funds may be used in the future on this contract.
