Engagement

Engagement deadline

31 July 2025

Engagement process description

The Met Office will be hosting a virtual supplier event on Wednesday 25th June.

The goal of the supplier event is to provide potential suppliers with an overview of the academic partnership's science delivery framework.

The event will take place on MS Teams and the format will in the main be a presentation from

Met Office. This will be followed by a question-and-answer session, and a briefing on the next steps.

For further details on how to register for this event please visit the Proactis portal and search for opportunity DN773311
