Scope

Reference

Project_10748

Description

Scottish and Southern Electricity Networks (SSEN), comprising both Transmission and Distribution businesses, is seeking suppliers capable of providing Engineered Electricity Poles.

For further details regarding the requirement and instructions on how to respond, please refer to the opportunity listing available on our Jaggaer e-procurement system:

<https://sse.app.jaggaer.com/esop/guest/go/opportunity/detail?opportunityId=430>

The purpose of this market engagement is to gather information from the market at this stage only. This engagement does not constitute a pre-qualification process, a tender, or a guarantee of any future procurement opportunities.

Participation in this process does not imply any commitment by SSEN to enter into agreements, award contracts, or proceed with the delivery of the requirement.

The details provided are not final or binding. They serve as a preliminary guide or general indication. Changes may occur based on market conditions and final requirements.

Please note that SSEN may utilise Achilles UVDB as the initial stage of supplier selection for any procurement activity that follows this preliminary market engagement process.

Please submit your responses via email to Deborah Johnstone (deborah.johnstone@sse.com) and Susan Beveridge (susan.e.beveridge@sse.com) by 3:00 PM on Thursday, 26 June 2025.
