The aim will be to provide a dedicated service that offers robust, consistent and sustainable support to children, young people and vulnerable adults.

The service model will bring together six interconnected elements of support which include:

- 1. Advocacy for Children in Care and for Care Leavers aged 16 24.
- 2. Independent Visitors for Children in Care aged 8 18 years.
- 3. Independent Persons for Stage 2 complaints under the Children Act 1989.
- 4. Appropriate Adults for young people aged 10 17 years, and vulnerable adults, detained at police custody suites who require support.
- 5. Accompanying Adults for the purpose of age assessment interviews for unaccompanied asylum-seeking children, Children Act 1989.
- 6. In addition, and in support to the Independent Visitors Service, funding will be provided for 10 places for a Leaving Care Mentoring Service. This additional funding is for young people who turn 18 and who choose to retain the support of the Independent Visitor as a Mentor. The Leaving Care Mentoring Service is not a statutory requirement under the Children's Act.

It is KCC's intention to award the contract for up to 3 years, to begin in April 2022.
