Scope

Description

North East Lincolnshire Council is seeking suitable qualified contractors for the renewal of its Highways Framework. The framework will enable delivery of the Authority's annual Local Transport Plan (LTP) programme of work. Projects within this programme of work include Projects within this programme of work include road safety improvement projects, structural repairs, minor reactive maintenance, transportation infrastructure improvements, junction improvements, footway and carriageway resurfacing, and traffic signal replacement works. In addition to the LTP programme the framework will enable the delivery of externally grant funded project such as public realm schemes, regeneration projects, and major infrastructure works and Temporary Traffic Management as part of its planned and reactive Highways works.
