**** THIS ADVERT IS FOR A MARKET ENGAGEMENT EVENT ****

NHS Derby & Derbyshire Integrated Care Board (ICB) are seeking to procure the Derby City VCSE Workforce service. This notice intends to identify suppliers who would like to express an interest in providing these services and to invite all interested parties to attend a Market Engagement Event.

This is a local approach to delivery of the Community Mental Health Framework. Derbyshire are in Year 3 of a 3-year programme to transform and co-produce locality based Multi-Disciplinary "Living Well" Teams (MDTs), with significant emphasis on a larger workforce to include peer support workers and wellbeing coaches, which would sit with the VCSE. Derby Wellbeing is part of the Living Well service model which builds on existing Community Mental Health Teams (CMHTs) to encompass a multi-agency team, consisting of colleagues from the Voluntary, Community and Social Enterprise (VSCE) sector, social care, health and the voice of lived experience. In Derby City this currently consists of Community Action Derby (CAD), Derby City Council and Derbyshire Healthcare NHS Foundation Trust. The successful bidder will also be responsible for the delivery of the local monthly collaborative, to drive the community and networking aspect

of the Living Well model.
