Engagement process description

PSR 85323000-9 Community Health Services

Procurement of Drug and Alcohol Treatment and Recovery Services for Luton. This procurement is being conducted in accordance with the Competitive Process outlined in the Health Care Services Provider Selection Regime (PSR) Regulations 2023. The new contract

is scheduled to commence on 1st April 2026, with a duration of 8 years, plus an optional 2-year extension. Luton Council will commission in two 'lots' forming the Luton Drug and Alcohol Alliance (LDAA). Luton Drug and Alcohol Alliance (LDAA) model is informed by population needs, consultation and data including the National Drug Strategy (2021), Pan Beds Drug and Alcohol Needs Assessment (2022/23), Luton Service User Consultation (2024), Luton Drug and alcohol HNA data review (2024). Lot 1 'Alliance Clinical' will deliver structured drug and alcohol treatment services and interventions for adults and children, in accordance with NICE guidelines, including delivery on harm reduction, prevention and early intervention strategies. This will include the Alliance Care service, providing practical support and interventions to individuals with complex interconnected needs. Lot 2 'Alliance Recovery' will deliver peer-led recovery services that establish a clear, supportive pathway for service users throughout their treatment journey. Focused on fostering long-term recovery, hope, and tangible success within the Luton community. The new contract will utilise Luton's Core Public Health Fund and will include mechanisms to accommodate additional government funding to supplement delivery, expanding the financial resources available.

Luton Council will host a virtual meet the supplier engagement event on 1st July 2025.
