II.1.4) Short description

Efficiency East Midlands Ltd (EEM) is a not for profit consortium which establishes and

manages a range of framework and DPS agreements. Our membership has now grown to 320 public sector organisations including housing associations and ALMO's, Local Authorities, NHS trusts, Education Providers, Blue Light Services, Government Agencies and Charities. EEM have also established a formal collaboration with 3 like-minded procurement consortia-Westworks, South East Consortium and Advantage South West. The membership list for these three consortia may be obtained from the following website

addresses:(<https://www.westworks.org.uk>)

(<https://www.southeastconsortium.org.uk>)

(<https://www.advantagesouthwest.co.uk>)

EEM are conducting this tender exercise to procure a Drainage Services (Domestic & Commercial) Framework to replace our existing Framework which will expires in December 2023. The Framework will provide EEM Members with a provision for their Drainage Services covering both Domestic & Commercial but not limited to, carrying out all types of jetting services and surveys, carrying out all types of repairs. Holding tank emptying and inspections. The Framework agreement will be for a period of 48 months, running from Monday 12th February 2024 to 11th February 2028. It is expected that a maximum of 8 Contractors may be appointed onto each of the geographical lots (Midlands & National) of the Framework, ensuring that all our member's requirements are covered taking into consideration the range of locations our members are located in. The Framework requires EEM to cover the UK under the following sub lots: Sub Lot 1 is being created to support Members with the geographical area Midlands. Sub Lot 2 is being created to support Members with the geographical area National. For further information please visit <https://www.delta-esourcing.com/> and complete the standard questionnaire via access code T839284Z57 and to view the tender documents via Tenderbox access code 9424K37P72,

EEM are conducting this tender exercise to procure a Drainage Services (Domestic & Commercial) Framework to replace our existing Framework which will expires in December 2023. The Framework will provide EEM Members with a provision for their Drainage Services covering both Domestic & Commercial but not limited to, carrying out all types of jetting services and surveys, carrying out all types of repairs. Holding tank emptying and inspections. The Framework agreement will be for a period of 48 months, running from Monday 12th February 2024 to 11th February 2028. It is expected that a maximum of 8 Contractors may be appointed onto each of the geographical lots ensuring that all our member's requirements are covered taking into consideration the range of locations our members are located in. The Framework will be tendered and awarded based on the following Lot Structure:

Sublot 1 Midlands

Sublot 2 National Coverage

Contracting Authorities can use either a Direct Selection or Mini Competition to appoint a Contractor and only the Contractor who sit on the relevant geographical Sublot, the Contracting Authority is looking to use can participate in the selection process. Further details and guidance on Lot Structure for this Framework can be located within Part A of the tender documentation. For further information please visit <https://www.delta-sourcing.com/> and complete the standard questionnaire via access code T839284Z57 and to view the tender documents via Tenderbox access code 9424K37P72.
