Explanation:

FCDO Services had planned to launch a procurement process in 2020 for a new logistics contract

commencing in July 2021. However, due to the impact of the Covid-19 pandemic, it was necessary to extend the existing GLA. The pandemic led to: (a) volatility in the air-cargo market ; (b) a

need for FCDO Services to reconsider the contract requirements in the medium to long term given the

climate; and (c) FCDO Services needing to divert personnel away from the procurement process to restart

and recover its logistics operations. This meant FCDO Services was not in a position to confirm its

service requirements for a new contract. The new procurement commenced in Sept 2021 (FTS ref 2021/S 000-024163) to replace this agreement
