II.2.4) Description of the procurement

The aim of this CYP MH Digital Service is to provide children, young people and their carers/guardians a digital platform for mental health support services to provide an early intervention, easy to access online in and out of hours counselling and support service to those children and young people who are registered or are eligible to be registered with a GP throughout Essex.

The Southend Essex and Thurrock (SET) Executive Collaborative Commissioning Forum is looking to improve digital and remote access to mental health support and counselling services for children and young people (CYP), enhancing the mental health of young people and their families across the seven Essex CCG localities, Essex County Council, Southend Borough Council and Thurrock Council.

Locally, commissioners recognise that CAMHS are struggling to meet growing demand from young people for mental health services and are exploring how digital technologies can help support young people in a less resource intensive way—especially where young people do not need the level of specialist community intervention that CAMHS provides

The Provider will ensure they comply with locality policies and procedures, with particular regard to encouraging young people to be as involved as possible in planning and care decisions and to ensure the needs and circumstances of individuals are made visible in their policy and practice. The Provider will ensure they build partnering relationships / pathway working with statutory health and social care services

Please note that the original advertisement for this opportunity was under NHS West Essex Clinical Commissioning Group as lead Commissioner on behalf of the Commissioning Authorities. As of the 1st July 2022, the seven aforementioned CCG's will transition into three separate Integrated Care Boards (ICB's) namely; NHS Suffolk and North East Essex ICB, NHS Mid and South Essex ICB and NHS Hertfordshire and West Essex ICB, which will be named as the Contracting Authorities in any future Contract Award Notices associated with this procurement.
