II.2.4) Description of the procurement

ECC is the Waste Disposal Authority for Essex and is responsible for the management of circa 337,000 tonnes of Residual Waste and Bulky Waste per annum. ECC works with 12 district, city and borough councils that make up the Waste Collection Authorities across Essex. This contract is being procured to ensure Contract Waste is disposed of through the most economic and sustainable solutions.

The successful contractor(s) will ensure Contract Waste is treated in accordance with the tendered proposals including the guaranteed recycling and recovery rates proposed.

The Contractor will be paid a monthly base payment that ensures the Contractor receives payment for at least their Bidback percentage guaranteed minimum tonnage per year, up to a maximum Bidback value of 80% of the lot tonnage.

The Contractor may be requested to dispose of waste volumes up to 20% higher than the awarded lot tonnages each Contract year.

The Contract will have an initial term of seven (7) years and may be extended by agreement in any number of periods not exceeding a total of a further seven (7) years.

II.2.14) Additional information

ECC considers that this contract may be suitable for economic operators that are Small or Medium Enterprises (SMEs). However, any selection of tenderers will be based solely on the criteria set out for the procurement.

The estimated total value set out under II.1.5 of this contract notice is the total estimated contract value of all four contract lots including an assumed 20% additional tonnage for treatment which may be requested, together with an inflation estimate, including the maximum seven-year extension period. This figure was calculated with an estimated potential Emissions Trading Scheme burden of £309,300,000 from Contract years three (3) to fourteen (14) based on information available at the time of tender publication.

For this tender the Authority will be using the ProContract (aka Due North) eSourcing portal <https://procontract.due-north.com> throughout the procurement process, and all communications with ECC relating to this procurement exercise must be via the portal's messaging system.

Supplier registration on the portal is free of charge and can be done via:
<https://procontract.due-north.com/>

It is recommended that any bidder not already registered on the ProContract eSourcing portal, register at the earliest opportunity.

ECC reserves the right to amend timescales for any reason and change the evaluation criteria where necessary for example if there are genuine omissions or mistakes. We also reserve the right to cancel the procurement exercise and/or not to award all or part of a contract. ECC will not be responsible for any costs incurred by bidders in relation to this procurement exercise.

ECC is subject to the Freedom of Information Act 2000 (FOIA) and the Environmental Information Regulations 2004 (EIR). If a bidder considers that any of this information supplied as part of this procurement exercise should not be disclosed because of its commercial sensitivity, confidentiality or otherwise, it must, when providing this information, identify clearly the specific information it does not wish to be disclosed and specify clearly the reasons for its sensitivity. ECC shall take such statements into consideration in the event that it receives a request pursuant to FOIA and EIR which relates to the information provided by a supplier. However, if the information is requested, ECC may be obliged under FOIA and/or EIR to disclose such information, irrespective of the suppliers wishes. Please note that it is not sufficient to include a statement of confidentiality encompassing all the information provided in the response.
