#### **II.1.4) Short description**

Provide a liability claims management system and service that is a stand-by option which will be embedded within a wider claim's response operation. The system and service will need the agility to ramp-up and administer claims, if needed, arising from a large-scale event.

To deliver this output and outcome, the awarded supplier will need to provide:

- Claims Plans and Documentation
- Claims Portal/System: Design and Build
- Scalable Administrator services
- Participation in the NDA claim steering committee
- An integrated turnkey solution.

This is to alert the market to a supplier engagement day in London on 15th November 2023.

Please register interest via the NDA Atamis portal at <https://atamis-2464.my.site.com/s/Welcome>.
