#### **II.1.4) Short description**

The London Borough of Tower Hamlets (LBTH) is engaging with potential service providers of EV (Electric Vehicle) charging infrastructure to contribute to the borough's ambitious programme to install over 2285 new EV charging points. This market engagement relates to our aspirations to deploy a core project of 250 7-22kw chargers on the public highway and a potential project to deliver dual-use chargers for EV charging (Mondays to Saturdays) and supply to market traders (Sundays). We are considering a 10-year concession contract for a supplier to be responsible for financing, supplying, installing, operating, inspecting, maintaining and decommissioning Charge Points and related infrastructure for the 250 fast chargers. There is £250,000 available to contribute towards delivering the dual-use EV charging/market trader supply points.
