NHS Midlands and Lancashire Commissioning Support Unit (MLCSU) is working on behalf of NHS Lancashire & South Cumbria Integrated Care Board (ICB) who are looking to undertake a multi-lot Competitive Process for the provision of Adult Mental Health Services (Lot 3 Psychologically Informed Interventions).

During 2023 and 2024 the community Mental Health Transformation programme has worked to coproduce an integrated model of support for people living with severe mental illness, develop pathways and articulate what interventions are required to support people to live well in their local communities. This work has informed what services are required as part of the model going forward.

The ICB is committed to providing stability to the sector and a model of services is being proposed, which will procure services. It is the intention of the ICB to start commissioning contracts for the above services from 1st April 2025 for 3 years, with an option to extend for a further 2 years.

Lot 3 Psychologically Informed Interventions (Total Contract Value for 3 years with optional 2 year extension)

Lot 3a Blackpool £652,775

Lot 3b Blackburn with Darwen £685,830

There will be a maximum of 6 contracts totalling £1,000,000 annually. The overall maximum contract value for all 6 lots, including possible contract extensions is £5,000,000.

Should Tenderers have any queries, or having problems using the portal, they should contact Helpdesk at: Phone: 0800 9956035 E-mail: [support-health@atamis.co.uk](mailto:support-health@atamis.co.uk) The relevant reference number for this tender is C301065 and the questionnaires will be located within the requirements. Further details will be made available via documentation and information released during the tender process. The ICB has set an affordability threshold for each lot. The ICB may intend to procure Lot 4 Social Inclusion at a later date (timescales to be confirmed).

The competitive tendering process to which this ITT relates to and further to which the Authority intends to purchase the Services as set out in regulation 11 of the provider selection regime 2023 for the award of a contract with a competition.

This ITT has been made available to all Bidders who have expressed a potential interest in delivering this service in line with the requirements which fall under Regulation 11 for the award of a contract with a competition, and Schedule 1 of the Health Care Services (Provider Selection Regime) Regulations 2023.
