THIS IS NOT A CALL FOR COMPETITION

Leicester City Council is considering selecting a partner to design, build, own and manage

an Extra Care (Enhanced Independent Living) scheme within the Leicester City area on two sites.

As part of the commissioning process, the Authority is undertaking a soft market test. This gives potential Registered Social Landlords (RSLs) or Consortia arrangements and other stakeholders the opportunity to express their interests and feed in their views about the potential model and specification principles. The commissioners will use the information to appraise options and further develop the specification.

To participate in this Soft Market Testing, organisations that may be interested, either individually or as part of a consortium, must complete a Soft Market Testing questionnaire.

The questionnaire can be found by copying and pasting the following web link into your web browser:

Further to this soft market test, the commissioners of this project are keen to hold an Online Market Engagement Event. The Online Market Engagement Event is being held on Thursday 13th January 2022 commencing at 10.00 a.m. and is anticipated to end at 12.00 p.m. The event will be conducted online via Microsoft Teams. Please refer to section 4.1. of the Soft Market Testing Questionnaire for further details including how to book a place at the event.
