VI.3) Additional information

The buyer is using PCS-Tender to conduct this ITT exercise. The Project code is 20238. For more information see:

http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2343

A sub-contract clause has been included in this contract. For more information see: http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2363

Community benefits are included in this requirement. For more information see: https://www.gov.scot/policies/public-sector-procurement/community-benefits-in-procurement/

A summary of the expected community benefits has been provided as follows:

Community Benefits is the term used to refer to a range of 'social issues' including targeted recruitment and training, equal opportunities considerations, supply chain initiatives, awareness raising programmes and community engagement activity which contribute more widely to sustainable procurement.

Sustainable procurement is defined as "a process that achieves value for money on a whole life basis and generates benefits not only to the organisation, but also to society and the economy whilst minimising damage to the environment."

Perth & Kinross Council is committed to securing Community Benefits from all contracts wherever possible and will require successful Contractors to work with it, as part of the delivery of the services, in transforming the community in a real and sustainable manner.

The provision of Community Benefits will be monitored in regular contract review meetings with Contractors and reported on during the term of the Contract.
