Changes to notice

This notice has been edited. The [previous version](#) is still available.

Title amended

Scope

Description

Provision of highway related civil engineering projects.

The work will cover a diverse range of civil engineering based minor works. These typically include local safety and accident reduction schemes, junction improvement schemes, cycle route infrastructure, bus lane and bus priority schemes, site investigation works and repairs to highway structures.

The works will be delivered through a combination of highway revenue budgets , City Region Sustainable Transport Settlements, and other external funding streams.

Contract dates (estimated)

- 1 July 2026 to 30 June 2031
- Possible extension to 30 June 2036
- 10 years
