Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

List and brief description of selection criteria

Full details can be found in the Invitation to Tender and the SPD (Scotland) which can be accessed through the website referred to in section I.3 of this Contract Notice.

The Tenderer must meet the minimum economic and financial standing criteria to pass.

Minimum level(s) of standards possibly required

(4B.6 SPD Statement):

CMAL will obtain a financial report from Dun & Bradstreet using the company registration numbers submitted by Tenderers (and where the Tenderer is a Consortium, for all members of their Consortium) with their response. If any Tenderer (including any Consortium member) is assessed as an overall business risk of “high”, the Tenderer will fail the economic and financial standing test.

III.1.3) Technical and professional ability

List and brief description of selection criteria

4C.1.2: Tenderers will be required to provide examples that demonstrate that they have the relevant capability and experience to deliver the services/supplies as described in part II.2.4 of the Find a Tender Service Contract Notice or the relevant section of the Site Notice as further detailed in the ITT.

4C.4: If Tenderers intend to use a supply chain to deliver the requirements detailed in the Contract Notice, they should confirm they have (or have access to) the relevant supply chain management and tracking systems to ensure a resilient and sustainable supply chain. This will include confirmation that they have the systems in place to pay subcontractors through the supply chain promptly and effectively, and provide evidence when requested of:

a) their standard payment terms

b) ≥95% of all supply chain invoices being paid on time (in accordance with the terms of contract) in the last financial year.

If the bidder is unable to confirm (b) they must provide an improvement plan, signed by their Director, which improves the payment performance.

4C.5: Bidders will be required to confirm that they will allow checks to be conducted on their production and technical capacities and on the quality control measures employed.

Minimum level(s) of standards possibly required

4C.1.2: In order to achieve a pass, the examples provided by Tenderers must be relevant and acceptable, demonstrating broad previous experience, knowledge, skills/capacity/capability relevant to the Project.

4C.4: A 'yes' response is required for a pass.

4C.5: a 'yes' response is required for a pass.

III.2) Conditions related to the contract

III.2.2) Contract performance conditions

CMAL will assign a full time Project Manager on the contract and assign a Site Supervision team at the shipyard to oversee the design and build of the vessel, with every step being closely monitored to ensure the delivery of a quality vessel. The CMAL site team will consist of experienced supervisors covering all major areas of the design and build of the vessel, such as steel, mechanical, outfitting, painting and electrical under the management of a Site Office Manager.
