Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.4) Objective rules and criteria for participation

List and brief description of rules and criteria

Under the Public Services (Social Value) Act 2012, Contracting Authorities must consider:

(a) How what is proposed to be procured might improve the economic, social, and environmental well-being of the area where they exercise their functions; and

(b) How, in conducting the process of procurement, they might act with a view to securing that improvement. Accordingly, the subject matter of the contract has been scoped to take into account the priorities of the Contracting Authority relating to "economic, social, and environmental well-being".

The basic principles of the Open Procedure will be followed for this procurement to test the capacity, capability, and technical competence of bidders in accordance with The Light Touch Rules Regime, Regulations 74 to 77 of The Public Contracts Regulations 2015 (SI 2015 No102) (for Health, Social, Education, and certain other Service Contracts).
