**VII.2) Information about modifications**

**VII.2.1) Description of the modifications**

Details of only one awarded contract has been provided in Section VII. Details of all 111 awarded contracts can be accessed on the original Contract Award Notice.

### **VII.2.2) Reasons for modification**

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

York and North Yorkshire Combined Authority (YNYCA) should have been listed as a permissible user of this Approved Provider List within the Contract Notice and procurement documentation. Due to a drafting error, this was omitted.

YNYCA spend via the Approved Provider List was included in the total value as set out in the original Contract Notice.

The proposed variation does not change the economic balance of the contract as the total value of the procurement (excluding VAT) will remain as set out in the original Contract Notice.

Providers will still have the ability to apply to the Approved Provider List throughout the term of the contract.
