Efficiency East Midlands Ltd (EEM) is a not for profit consortium set up to drive cost and efficiency savings in the public sector. Since 2010, EEM has to deliver comprehensive yet simplified procurement solutions, which offer a wide range of compliant, competitive and high-quality products and services. EEM's vision is to develop a collaborative working approach, which delivers the fullest possible range of organisational, financial and social benefits.

EEM was formed in 2010 with five founding members, all housing providers determined to reap the benefits of collaborative procurement. Since then, our work has grown to working with over 360 public sector organisations including Housing Associations and ALMO's, Local Authorities, NHS Trusts, Education Providers, Emergency Services, Government Agencies and Charities.

EEM also work in collaboration with 3 like-minded procurement consortia - Westworks, South East Consortium and Advantage South West. The aim is to work together to align processes and practices, share our frameworks where possible and provide the best possible service to our combined members and usership.

All current and future members and users of EEM are able to access this Framework.

EEM are conducting this tender exercise to procure a digital aerials framework. The framework will be tendered and awarded based on the following EEM wishes to procure and enter into framework agreements with multiple contractors, each of which will provide

services covering all areas related to digital aerial systems and any additional relatable services, to

VI.3) Additional information

The call-off contract's to be awarded pursuant to the Framework Agreements to be entered at conclusion of the procurement exercise begun by publication of the Contract Notice may extend for a duration of up to five years beyond expiry of the four-year term of the Framework Agreement.

Please note that the total potential framework value stated within this notice is in relation to the full 4-year framework and takes into consideration the lot structure, length of call off contracts and that the EEM membership may grow over the framework lifetime.

Where the contract notice states a maximum of suppliers to be appointed to the Framework, EEM reserves the right to appoint less than the numbers stated.

The Framework is being procured by EEM on behalf of the organisations that have been accepted as authorised users. Authorised users are classed as any current company law member, any future company law members and any user that has been authorised access to the frameworks and other public procurement tools provided by EEM.

EEM is incorporated as a company limited by guarantee and is owned and governed by a small number of organisations who make up our 'Company Law Members', all of which are Contracting Authorities in their own right. The Framework Agreements being procured by the procurement exercise begun by publication of the Contract Notice will be entered by EEM as the Contracting Authority which will have undertaken and completed that procurement exercise. Any reference in the Contract Notice or tender documents to Contracting Authority is deemed to be and include a reference to EEM.

The organisations entitled to access and use the Framework Agreements to be awarded at conclusion of the procurement exercise begun by publication of the Contract Notice are:

Any current EEM Member - being an organisation which is a Company Law Member of EEM at the date of this Contract Notice and being one of the organisations who owns and governs EEM;

Any Future Member of EEM, from time to time Company Law Members and the EEM Board may appoint additional organisations to become Company Law Members. All

Future Members will also be Contracting Authorities in their own right; and

A Framework User - being an organisation who has signed and agreed to the terms of accessing EEM Frameworks and who is authorised to access the frameworks and other public procurement tools provided by EEM.

EEM frameworks may accessed by all publicly funded organisations. Frameworks can be used by any organisation that falls in to one or more of the categories listed below and can be identified through the links provided as users in accordance with the Public Contracts Regulations 2015 or the Procurement Act 2023.

The list of potential framework users below is not exhaustive of all organisations who can utilise EEM services, access will be granted to any publicly funded organisation.
