Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

List and brief description of selection criteria

The Authority will undertake a Company Financial Assessment for each Tenderer using Dun & Bradstreet (D&B) Failure Risk Score for the Tenderer and any consortia or reliance members, as detailed in the minimum level(s) of standards required below.

Details of the D&B "A Guide to Dun & Bradstreet's Predictive Indicators" – can be found using the http address below:

<https://www.dnb.co.uk/about-us/our-analytics/predictors-scores-ratings/scores-ratings.html>

There must be no qualification or contra-indication from any evidence provided in support of the Tenderers economic and financial standing.

The Authority has the right to request copies of financial accounts and insurance certificates which are not held electronically.

Minimum level(s) of standards possibly required

If the D&B Failure Risk Score is 50 or more you will receive a pass for this assessment.

If the D&B Failure Risk Score is less than 50 or no D&B Risk Failure score is available the Authority will contact the Tenderer and seek further information. The Authority will then use this further information to assess the Tenderer's level of failure risk. In the event that the Tenderer does not meet the financial criteria above, they may still be considered via some form of other assurance e.g. Parent Company Guarantee (providing parent has a failure risk score of 50 or more) or a performance bond. If this assessment identifies an unmanageable risk (i.e. it is unacceptable) the Tenderer will fail this assessment.

It is a requirement of this framework agreement that bidders hold, or can commit to obtain prior to commencement of any subsequently awarded contract, the types of and levels of insurance, as a minimum, indicated below:

Employer's (Compulsory) Liability Insurance = in accordance with any legal obligation for the time being in force.

Public Liability Insurance = 2.5 million GBP

Professional Indemnity Insurance = 1 million GBP

III.1.3) Technical and professional ability

List and brief description of selection criteria

Bidders will be required to confirm that they meet the required Environmental Management Standards.

Bidders will also be expected to be cyber resilient accredited within 6 months of the contract award date.

Minimum level(s) of standards possibly required

Environmental Management Standards

The contractor will be expected to maintain a standard of environmental protection, including, where appropriate, accreditation to ISO14001/EMAS or equivalent standards.

Cyber Security

The minimum acceptable level of cyber security accreditation is Cyber Essentials Plus or equivalent.
