North East Lincolnshire Council has been awarded a total of £18.4m Levelling Up Funding

focused landmark building on Sea Road. These projects form the early and crucially

important first phase of the delivery of the Cleethorpes Masterplan.

This Sea Road Development incorporates the development of a landmark, architecturally

significant modern building directly opposite the entrance to the historic Pier. The scheme

will provide a new tourism destination, comprising of state of-the-art public amenities and

changing facilities, including commercially lettable space across all floors of the building.

Sea Road will provide multifunctional retail and gathering spaces that serve both residents

and visitors and be an important social and cultural destination, which local people can be
