#### **II.1.4) Short description**

PebblePad is primarily used as a reflective portfolio platform and includes built in assessment and feedback mechanisms. Students are expected to collect evidence and reflect on the skills learnt throughout their programmes in the form of an e-portfolio. This online platform allows students to evidence professional competency and facilitates sharing assets and action plans with tutors and assessors. It can be used to Plan and prepare for

learning, record and reflect on student experiences, and collect and curate evidence of development. It allows the University to meet the statutory bodies accreditation requirements for reflective learning.
