Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Vasectomy Service Primary Care

Reference number

The Atamis project reference is C306064

II.1.2) Main CPV code

- 85312330 - Family-planning services

II.1.3) Type of contract

Services

II.1.4) Short description

This is a Provider Selection Regime (PSR) notice of intention to follow the Most Suitable Provider Process. The awarding of this contract is subject to the Health Care Services (Provider Selection Regime) Regulations 2023.

The intention is to award a contract using the most suitable provider process. The service is a Vasectomy Service Primary Care. The aim of the service is to provide Vasectomy Services through the provision of a primary care-led service located in the Newcastle area and at Trust alternative premises. The service will provide a seamless transition between secondary and primary care and only treat patients directed to the service from The Newcastle upon Tyne Hospitals NHS Foundation Trust.

The level of clinical service provided will be comparable to the service received by patients attending secondary care settings. This service is anticipated to start in November 2024. The contract period will be 1 year. The total value of the contract is capped at a maximum of £85,000 per annum.

Expressions of interest must be received by no later than midday on (14-days from publish) 2024. To express interest in this process: Interested providers will be able to view this notice via the 'Live Opportunities' list on the e-procurement system, Atamis, available on the following link: <https://health-family.force.com/s/Welcome> and return the requested documents by the submission deadline.

The Atamis project reference is C306064

II.1.5) Estimated total value

Value excluding VAT: £85,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKC2 - Northumberland and Tyne and Wear
