II.1.4) Short description

General dental services equivalent to that provided to the general population:

- Assessment of oral health
- Treatment of any identified disease

Routine care will include:

- Regular (6 - 12 monthly according to need and identified risk) oral health assessment including x-rays as needed.
- Scale and polish as needed
- Fillings, extractions and other treatment as appropriate
- Onward referral to Tier 3 services if indicated
- Onward referral under urgent pathway for suspected malignancy if indicated

At the start of the contract initial assessments are to be offered to all in-patients in order to triage and prioritise the patients at more immediate need of active treatment. Needs assessment to take place within 8 weeks of contract start.

Initial clinical assessments of likely treatment need to be undertaken at Foxhall House, C/o Ribbans Park (formerly St Clements Hospital).

Appointments for treatment to be offered at Provider's dental facility within reasonable proximity of Foxhall House, usually in a separate session solely for the secure service patients - this can be negotiated according to assessed need/patient factors.
