• AE - United Arab Emirates

Main site or place of performance

University of Birmingham Dubai campus building located in Dubai International Academic City (DIAC).

II.2.4) Description of the procurement

The University of Birmingham intends to contract with Emirates Integrated Telecommunications Company PJSC for the provision of high-speed internet connectivity, business ISDN connections, services and support to the University of Birmingham Dubai (UoBD) campus building within Dubai International Academic City (DIAC). This contract will be for 2024 to 2028.

Emirates Integrated Telecommunications Company PJSC currently provide core network infrastructure service connectivity to DIAC and the UoBD building, and all existing network and telecommunications services. It is imperative to the ongoing success of the project that the University integrates effectively with the existing onsite provision.

Emirates Integrated Telecommunications Company PJSC are the state owned internet provider.

II.2.11) Information about options

Options: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

• The procurement falls outside the scope of application of the regulations

Explanation:

Emirates Integrated Telecommunications Company PJSC currently provide core network infrastructure service connectivity to DIAC and the UoBD building, and all existing network and telecommunications services. It is imperative to the ongoing success of the project that the University integrates effectively with the existing onsite provision.

Emirates Integrated Telecommunications Company PJSC are the state owned internet provider and the sole supplier to the region and therefore the University of Birmingham Dubai are restricted to a single supplier.
