II.1.4) Short description

FSCS is planning to go to market to procure two master vendor arrangements – one responsible for our Claims Handler roles (both permanent and contractors) and one which would be responsible for the recruitment of all other vacancies (permanent and contractors). The services will include supporting a FSCS's People Team to attract, recruit and retain candidates with the right blend of skills, qualifications, experience, knowledge, and attitude into the right roles and in the right place to deliver on the Scheme's strategy. The services must include the smooth transition from our existing master vendor arrangement. FSCS are planning a pre-market engagement event w/c 07th October ahead of issuing the contract notice within a few weeks soon after. If you would be interested in attending, please e-mail Jean.Mutudza@fscs.org.uk. During this event we hope to cover the scope of services and provide historical context and drivers for the new model.
