II.2.4) Description of the procurement

Following an Early Engagement Notice issued in March 2022, an Open Procedure was run from April to September 2022.

Suppliers were invited to tender for the Provision of Primary Care Enhanced Frailty Service – Harrow Borough. Harrow Health CIC emerged as the successful bidder.

The North West London Borough of Harrow required an Enhanced Frailty Service to provide direct delivery of services for people experiencing frailty within the Harrow population, coordination of the system response to these elements through partner organisations and bringing together wider primary care commissioned services through the PCN DES services, in order to achieve the streamlined delivery of services. The Enhanced Frailty Service thus aims to provide a wrap-around service for frail vulnerable patients, with General Practice (GPs) at the heart of the service model, supported through a multi-disciplinary team of professionals. A patient's registered GP will provide the central service offer and will draw upon the wider expertise within primary care and the wider community and acute services.
